

## **Grappling Truck Route**

The City of Mt. Juliet runs the grappling truck on every street in the city limits, below is schedule of subdivisions/streets of how the grappling truck will start and finish the zones. We start in Zone 1 and go to Zone 8. All main roads are done at the end of the zone because we must have a flagger following the truck for safety concerns. All the newer subdivisions that don't have mature trees, we will drive a truck through those areas and pick up any small piles, if we have a bigger pile, we will send the grappling truck. Any subdivisions/townhomes that are gated or private streets we **do not** pick up in these areas. Cedar Creek Drive, Sports Road (Zone 7) and Thurman Drive (Zone 8) that are dead-end streets with no turn around, please call 615-773-7957 if you have a pick-up.
