Recently, the Ethics Commission convened to discuss and review three ethics complaints that were filed with the city attorney and forwarded to the Ethics Commission for evaluation.

Regrettably, we must acknowledge that the meeting in question occurred without proper public notice, as outlined in the guidelines established by the Tennessee Code for open meetings (Tenn. Code Ann. § 8-44-101, et seq.). We take this seriously, and we are committed to rectifying the situation.

As a result of this lapse, the Ethics Commission will reconvene at a future date to thoroughly review not only the three complaints initially discussed but also two pending complaints. To ensure transparency and adherence to proper procedures, this upcoming meeting will be publicly advertised and open to the public, allowing residents to engage and witness the process.

The City of Mt. Juliet places a high value on transparency, accountability, and public trust. Moving forward, we are taking steps to ensure that all future meetings adhere strictly to the guidelines set forth in the Tennessee Code for open meetings.

In the spirit of continuous improvement, we encourage residents to reach out with any questions, concerns, or suggestions. Your feedback is invaluable as we work to uphold the highest standards of governance.

Respectfully,

A handwritten signature in black ink that reads "Kenny Martin".
